Once again, it's time for the Flora Vista Mutual Domestic Water Associations Annual Membership Meeting. This meeting is being held late in the year due to the COVID 19 Mandates from the Governor of New Mexico. If you plan to attend please wear a mask. The meeting will be held on October 26th @ 6:30pm, at the Flora Vista Mutual Domestic Water Association office, located at 2c RD 3499.

We will also be discussing the probability of raising the water rates in the near future. We will also discuss the drought situation and any upcoming projects.

We have five positions open on the Board of Directors. There are four members running. If you are interested in running for the Board please contact the office.

We will be serving sandwiches, cookies and beverages for the meeting. Flora Vista is a fast-growing community and the water association has a lot of decisions to make to keep up with growth in our service area and the board is looking forward to the members being involved in the decision-making process. We look forward to seeing you at the meeting.

Thank you

General Manager
