We will be discussing upcoming projects and funding. We will also be discussing Drought Water Conservation as well as the Drought Stage implementation.

We have three positions open on the Board of Directors. If you are interested in sitting on the Board, please contact the office.

We will be serving BBQ, and beverages for the meeting. Flora Vista is a fast-growing community, and the water association has a lot of decisions to make to keep up with growth in our service area and the board is looking forward to the members being involved in the decision-making process.
